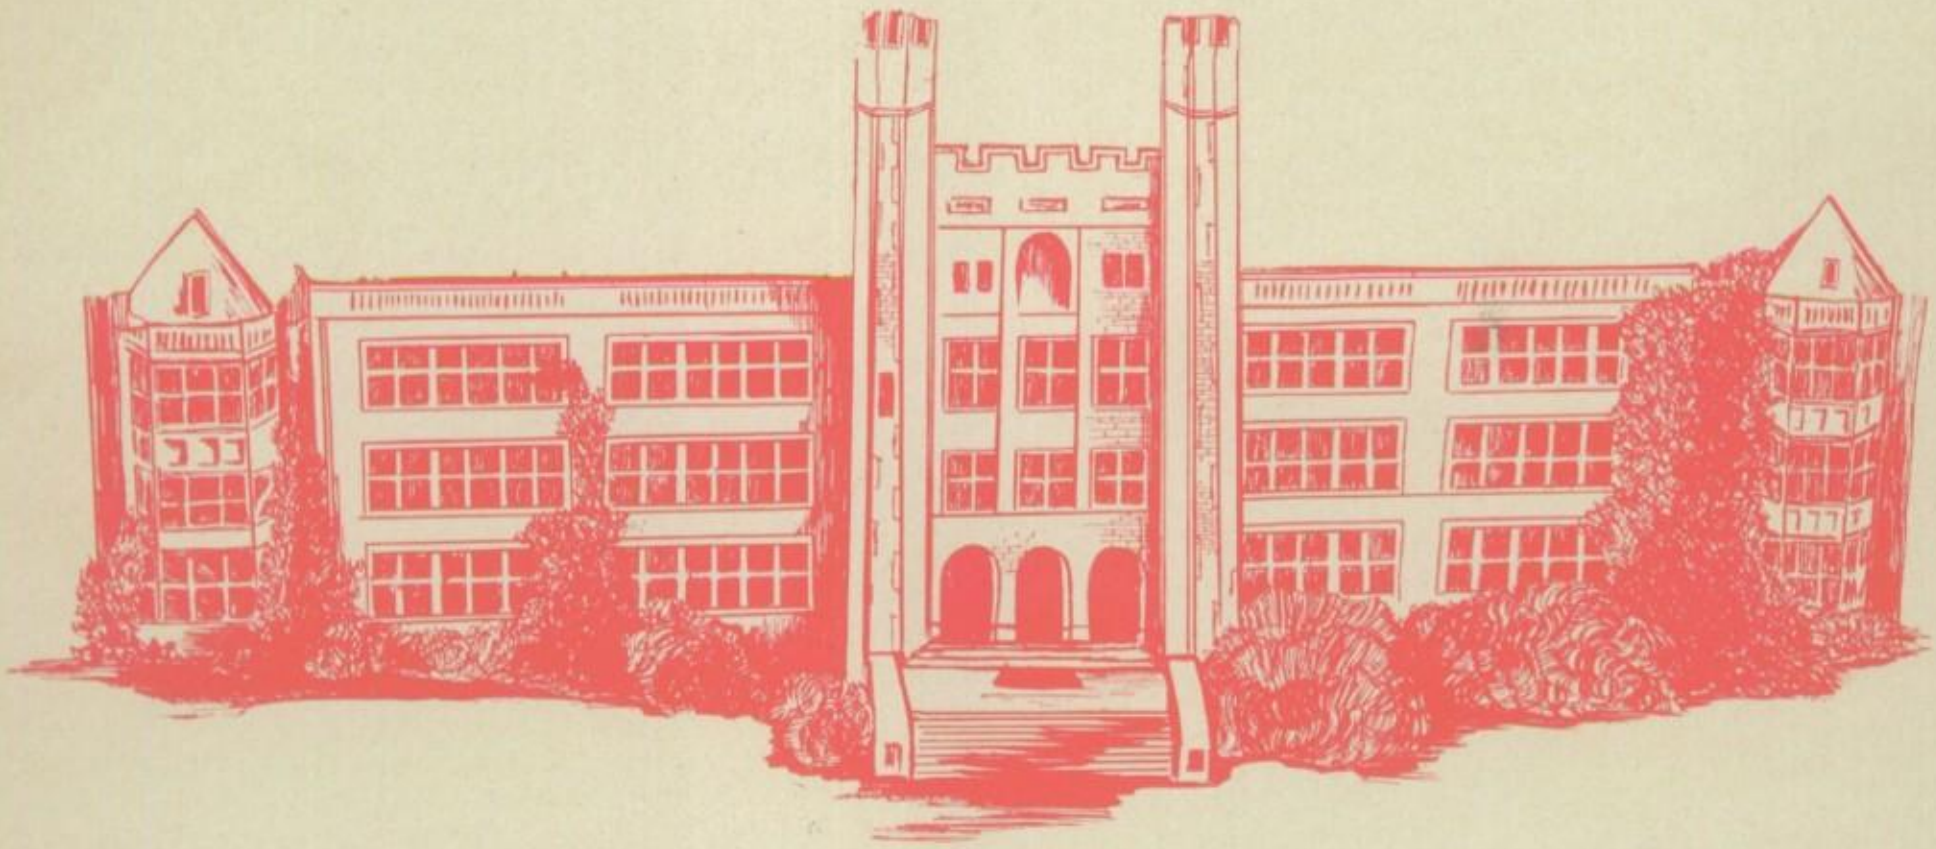
FOREWORD

Well, here's your 1958 RO-RAP. We've been working all year to publish an annual that we hoped you would like. In this year's book we have tried to portray a small part of the life at Roanoke Rapids High School. We of the RO-RAP staff have sincerely enjoyed our task, whatever our trials and troubles have been. And now that we are through, if you like our efforts, we shall feel well rewarded.



DEDICATION

The 1958 RO-RAP is dedicated with deep appreciation to Mr. D. I. Kidd for his many years of faithful service and for his kind regard for students.

Mr. Kidd, in typical uniform, demonstrates in his patient manner to eighth grade shop students how to use the coping saw.

CLUBS and

ACTIVITIES

The Senior High Student Council is "Democracy's Workshop" in the Senior High School. It is composed of one representative from each homeroom in the Senior High School.

The purpose of the council is to develop leadership qualities in its members and to increase school spirit.

The council's aims are these: to acquaint the student body with their activities through council meetings conducted by the homeroom representatives in the rooms, to plan and direct school projects suggested by students, and to help prepare the students for future civic duties by giving them responsibilities. At all times the council represents the voice of the senior high student body.

The council decided to give an award each semester to the best citizen in Junior High. It also planned to decorate one of the old Home Ec. rooms as a permanent meeting place for the council.

Later the Junior Council worked with the Senior in revision of the Student Handbook.

One of the highlights of the council's activities was their annual dance which was given in the spring.

BASKETBALL

The Yellow Jackets opened their season with Oxford. The game was very close during the first half but in the second half Roanoke Rapids pulled away from Oxford with excellent rebounding. The final score was 57 to 45 in the "Jackets' " favor.

The next game was against Oxford again, and the "Jackets" got an early lead and held it. The score was 48 to 38.

The "Jackets" played their third game in Wilson. It was close during the first half but Roanoke Rapids pulled ahead in the second. Four first-stringers fouled out in the last quarter, but the second string held its own, and held a

slim lead. The game ended with a score of 55 to 50 in favor of the Yellow Jackets.

In the first conference game, which was against Jacksonville, the first half was close but in the second half the Cardinals went ahead and stayed there to win with a score of 54 to 46.

The Yellow Jackets played their fifth game with Weldon. The "Jackets" got an early lead and held it. The whole team played a great game and was hitting from all over the court. The "Jackets" won 52 to 42.

The second game Roanoke Rapids played with Weldon was a hard-fought game. It was nip and tuck all the way, with both Weldon and Roanoke Rapids boys hitting well. With a slim lead our defense held them and the game ended with the Yellow Jackets 43 and the Tornadoes 42.

The "Jackets" had an easy time in the game against Seaboard. The Roanoke Rapids defense kept Seaboard from scoring many points. The Yellow Jacket offense clicked perfectly and the game ended 64 to 29 in the "Jackets' " favor.

The second conference game was with Kinston. At the beginning the game was close but as the game progressed the "Jackets" gradually pulled ahead and with good defense and frequent points the "Jackets" won 62 to 53.

In this game against Washington another good defensive showing was made. The Yellow Jackets forwards and guards hit from the floor and our boys captured the rebounds regularly under both baskets. The game ended with the score 53 to 49 in favor of the "Jackets."

The "Jackets" dropped their fourth conference game against Greenville. The score was 52 to 43.

The next game was with Elizabeth City and Roanoke Rapids was ready for this one. The Yellow Jackets were sparked-up and got an early lead and kept it for the remainder of the game. Roanoke Rapids won 60 to 46.

In the game with New Bern, the Bears were hitting from all over the court. The "Jackets" fought hard but could not stop

them. New Bern won with a score of 85 to 53.

The game with Jacksonville started out to be a good game for Roanoke Rapids but the "Jackets" dropped behind late in the first half. In the second half they closed the lead to only a few points but the Jacksonville team edged away again. The score was 68 to 55 in favor of the Cardinals.

This second game with Kinston was a great ball game. The score was close throughout the game. Toward the last of the game Kinston and Roanoke Rapids were exchanging point for point, but the Yellow Jackets couldn't hit on their foul shots in the last few seconds and lost 48 to 46.

In this second game with Washington the Pam-Pack got a lead and kept it and no matter what the "Jackets" would do, they couldn't get ahead of them. The game ended Washington 44 and Roanoke Rapids 36.

In their next to the last home game the "Jackets" played Greenville. The game was close during the first half but in the second the Phantoms got a lead that the Yellow Jackets couldn't top. The final score was 71 to 60.

The last home game was played with Elizabeth City. In this game the Yellow Jackets got an early lead and after the first quarter much substitution was made. Roanoke Rapids won with a score of 75 to 61.

For their last regular game the "Jackets" traveled to New Bern. The score was close and stayed that way throughout the game. In the last quarter the Yellow Jackets were hitting very well but New Bern managed to pull through and win by one point. The score was 41 to 40.

In the tournament the Yellow Jackets were eliminated in their first game, against Greenville. They tried hard but couldn't overcome the lead Greenville got early in the game. The score was 52 to 44.

BASKETBALL

The Jayvee basketball team has an excellent record this year. They only lost two games out of the nineteen they played—one to Washington, 54 to 29, and one to Kinston, 47 to 42. The Junior Jackets showed good sportsmanship and playing ability. Coach Curtis built a team that has given an excellent account of itself this season. The team was sparked by excellent ball handling and fine shooting ability. The Jayvees earned every victory with team play and hard work. Playing on the Jayvees provides valuable experience for the boys who will later be the mainstays on the varsity teams.

VARSITY

Collins sets him down.

The Yellow Jacket baseballers of Roanoke Rapids turned in a commendable record of six victories, one tie, and eight defeats. The Jackets didn't have many veterans last year but had a lot of material coming from the tenth and eleventh grades. The Roanoke Rapids club had an entire new pitching staff and the lack of experience proved fatal. No matter what the reason, the Jacket baseball players could not muster the strength to match the competition

BASEBALL

towards the last part of the season. Early in the baseball season the Yellow Jackets enjoyed a winning streak with five wins and two losses. Oxford, Henderson, Greenville, Elizabeth City, and Jacksonville fell before the Yellow Jackets, but Wilson and Kinston outslugged the team. Then Roanoke Rapids hit a losing streak, losing to New Bern, Jacksonville, Washington, Kinston, Greenville. Next the Yellow Jackets won over Elizabeth City and lost their last game to New Bern.

JAY VEE

As March went out the Roanoke Rapids Jayvee baseball team started their trek into the baseball season. They started with a win over Kinston, but they lost their second game to Weldon. They won their next three games against Weldon. Wilson shut the Baby Jackets out in their first game but in the second game the Junior Jackets upset them. Because of the lack of opponents we had to schedule four games with Weldon in order to keep in practice.

BASEBALL

Superb pitching, airtight fielding, and the ability to win the close games were the reasons for the Jayvees great success. Their hustling was a main factor for a good scoring record for them. Coach Garrison molded a fine squad from the boys who tried out for the baseball team that year. Roanoke Rapids can expect good prospects for the Varsity squad in the coming years.

TRACK

The first track meet that Roanoke Rapids entered was supposed to be a triangular track meet with Greenville and Elizabeth City. Greenville couldn't make it so Roanoke Rapids and Elizabeth City went ahead with the meet. Elizabeth City defeated the Yellow Jacket cindermen in their first meet. In the next track meet, Roanoke Rapids played Elizabeth City again. It was a close meet all the way with Elizabeth City leading only by a few points. When the track meet was over Roanoke Rapids lost by a few points, 44-37. Roanoke Rapids played their third straight meet with Elizabeth City. In this meet we were missing a couple of boys because of sprained ankles. The Yellow Jacket cindermen could not over power

the Elizabeth City team so we bowed to them again. Our fourth meet was held in Wilson. There the Blackerbymen sparked up and took a roaring victory over Wilson beating them 49-30. The final track meet was held at Greenville with Roanoke Rapids, Washington, Greenville, New Bern, Elizabeth City, and Jacksonville participating in it. In this meet the Yellow Jackets finished fifth and thus finishing in fifth place in the Northeastern Conference. Our track team may not have had such a good season but they showed good sportsmanship, and showed other teams that they couldn't win without a fight, as you have seen by the close scores.
